

Beautiful NEW design!

We proudly present:

"Bonsai"

Beautiful, peaceful and colorful.

A design with a touch of mystery from the Orient.

"Shapes"

Simple and shifting shapes creates a design that fills you with harmony and balance.

"Simplicity"

A Scandinavian design characterised by simple and uncomplicated shapes - stylish and modern.

We have added new design from our skillful designers! We hope you like their work. It is very easy to change the look of your book even after you have filled it with content. Click on "Choose design" and choose your favourite!

"Society has an enormous need for art and poetry that industry does not yet understand." Alberto Alessi

Solentro wishes you good luck with your next book!
