Love - life - color!

At [Solentro](#) we always strive to listen to our bookusers, but, it's also important to listen to others... it helps us grow, not only as a company but personally too!

We heard about this wonderful initiative from a friend - that you can own a color and help save a child's life - so that's what [Solentro](#) did!

A £20 donation can buy enough vaccinations to protect 50 children against measles, one of the biggest killers of children worldwide!
