## Crop and rotate your photos!

It's now easier than ever to make a beautiful photo book - you can both crop and rotate your images freely inside the production part of Solentro once you have uploaded your photos!

Double-click on an image in your book to edit it.

Good luck with your photo book!

## You can embed a video in your photo book!

Using a QR code you can make an interactive book experience!

Example: *in your wedding book you would like to share one of the wedding videos from YouTube. Add a QR code in your book with a link to the clip and the reader can with only the touch of a button watch these videos directly on the mobile phone!*

*"Please let everybody in your office know how happy I am by choosing Solentro. I have looked before at other similar companies, but in Solentro I found the simplicity, designs and easyness to work to put together my book. Thank you for the excellent service, organization and thank you personally for your kind response. I will use Solentro always for any projects and recommend it to all of my friends."*

/Valerio Hristov - Hollywood, Florida

**We strive to constantly develop and improve the book making system with suggestions and ideas from you - thank you for helping us become better!**
