## Beautiful, quality books

This was my 2nd Solentro order, and just as the previous order it arrived and exceeded my expectations. Solentro allows me to be creative and put my own style/appearance into each book. This project was a book for my grandkids to enjoy at Christmas. Solentro delivered with a beautiful book, produced just as ordered, and in very high quality. I look forward to my next book project with Solentro .

## Fun, fast, fabulous

The Solentro website is easy to use, and making a book is great fun. Once ordered, the books arrive quickly and the quality is terrific. I've made two books and I'll be making more. Very nice product!

## AWESOME!

The preview of the images helped me make good decisions on which images to use. The book turned out perfect and was delivered within 2 weeks. It was a gift and he LOVED it!
